

**Join Natalie Baldock and John Blair
to discuss the value of fruits and vegetables
and the research behind Juice Plus+®.**

Natalie Baldock is a mum and passionate educator on **family nutrition** who speaks in front of hundreds of families each and every month. She will open your mind to **REAL food** and open your heart to change.

Natalie with her 10 years of experience in **wholefood** and **raw food** nutrition will help you understand how to **gain energy** from food, **stimulate brain function** and encourage a **healthier lifestyle** for you and your family.

John Blair is the **Senior Vice President of NSA Juice Plus+®**, who has been with the company for **over 20 years**. John was instrumental in developing our Juice Plus+® and has been involved in on going **product development** and **research**.

John will share with you the reasons why **Juice Plus+®** is the amazing product it is and about the phenomenal **Clinical Research Program** behind Juice Plus+®, making it the **most researched nutraceutical, world-wide**.

Please come and bring along guests to enjoy this **FREE Wellness Event** to experience the incredible wisdom and energy of **Natalie and John**.
